

**THE 2025  
PACHYDERM  
CLUB**  
The Spencer County GOP Giving Program

Dear Fellow Republicans,

I hope this letter finds all of you doing well in this new year!

We had a remarkably successful 2024. Locally, we won all races and our State Representative seat, District 74. This success would not have been possible without your generous support!

We cannot, however, rest on our past successes, which brings us to the purpose of this letter. It is the annual time of year that we once again start the task of raising money. We MUST rebuild our war chest and prepare for 2026. We strive to have one of the best funded political operations in South-west Indiana. We continue to have a strong presence in the community. Money is given directly to our opposed candidates, we run ads on several radio stations, send out several direct mail pieces and run ads in both local newspapers. Elected Republicans were also out in full swing working for those on the ballot. Party officials were busy orchestrating fundraisers and setting up for events.

Again, we need your continued support so we can hold our annual events, donate to local organizations, and prepare for campaigns down the road. I am proud and humbled by the support I have received as your County Chairman over the last twelve years. I am especially proud of the progress we have made! But there is still work to do.

I ask that you please consider joining or renewing your membership in the Pachyderm Club. In the Pachyderm Club you can receive different benefits at different levels of giving. I have enclosed the form that shows the levels and benefits of each respective level.

Please save the date of our Lincoln-Reagan dinner. Saturday, March 29th at Santa's Lodge in the celebration room. It's sure to be a great event with our new Lieutenant Governor, Micah Beckwith and our new 8th district congressman, Mark Messmer keynoting.

It is imperative that we provide the best campaign infrastructure for our candidates that we possibly can. We cannot do it without you!

Thank you for your consideration!

Jon Winkler  
Vice Chair IN-CD8
